

Comera Life Sciences to Participate in Four Upcoming Conferences

April 27, 2023

WOBURN, Mass., April 27, 2023 (GLOBE NEWSWIRE) -- [Comera Life Sciences Holdings, Inc.](#) (Nasdaq: [CMRA](#)) ("Company" or "Comera"), a life sciences company developing a new generation of bio-innovative biologic medicines to improve patient access, safety and convenience, today announced that its scientists and executives will participate in four upcoming scientific and industry conferences.

"We look forward to sharing more about our proprietary formulation platform and partnering opportunities at these upcoming conferences including the ways our SQore™ platform integrates computational modeling, a robust library of excipients, and formulation engineering to address challenges in subcutaneous therapeutic development," said Jeffrey Hackman, Chairman and Chief Executive Officer of Comera.

Details on upcoming conference participation and presentations:

Excipient World Conference & Expo 2023 (May 1-3, 2023)

Location: National Harbor, Md. (Gaylord National Resort & Convention Center)

Presentation Date & Time: May 1, 2023 at 11:20 a.m. EDT

Title: SQore™ Platform Technology and Excipients for Highly Concentrated mAb Formulations

Speaker: Yuhong Zeng, Ph.D., Director of Formulation at Comera

Pharma Partnering Summit (May 4-5, 2023)

Location: San Diego, Calif. (DoubleTree by Hilton Hotel San Diego)

Details: Available for 1x1 meetings onsite

Participant: Janice Marie McCourt, Chief Business Officer at Comera

PEGS Boston Conference & Expo (May 15-19, 2023)

BIO International Convention (June 5-8, 2023)

Location: Boston, Mass. (Boston Convention & Exhibition Center)

Details: Available for 1x1 meetings onsite

Participants: Jeffrey Hackman, Chairman and Chief Executive Officer at Comera; Neal Muni, M.D., Chief Operating Officer at Comera; Michael Campbell, Chief Financial Officer at Comera; Janice Marie McCourt, Chief Business Officer at Comera; Robert P. Mahoney, Ph.D., Chief Scientific Officer at Comera

About Comera Life Sciences

Leading a compassionate new era in medicine, Comera Life Sciences is applying a deep knowledge of formulation science and technology to transform essential biologic medicines from intravenous (IV) to subcutaneous (SQ) forms. The goal of this approach is to provide patients with the freedom of self-injectable care, reduce institutional dependency and to put patients at the center of their treatment regimen.
