(the “Company”) completed a private placement (the “Private Placement”) of 12.0% Senior Secured Convertible Notes due 2024 in the aggregate principal amount of \$1.5 million and accompanying warrants to purchase up to an aggregate of 54,545,442 shares of the Company’s common stock, pursuant to which the Company granted the purchasers (the “Purchasers”) in the Private Placement the right to purchase all outstanding shares of the Company’s common stock not then held by the Purchasers (the “Share Purchase Option”). On January 2, 2024, the Purchasers exercised the Share Purchase Option. The final terms and conditions of the proposed transaction to effect the Share Purchase Option will be subject to the negotiation of a definitive agreement between the parties.

This Current Report on Form 8-K (this “Report”) shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

Important Information and Where to Find It

In connection with the proposed transaction between the Company and the Purchasers contemplated by the exercise of the Share Purchase Option and following the anticipated execution of a definitive agreement, the Company will file relevant materials with the SEC, including a proxy statement, the definitive version of which will be sent or provided to the Company’s stockholders. The Company and the Purchasers will jointly file a transaction statement on Schedule 13E-3. The Company may also file other documents with the U.S. Securities and Exchange Commission (the “SEC”) regarding the proposed transaction. This document is not a substitute for the proxy statement or any other document which the Company may file with the SEC or send to its stockholders in connection with the proposed transaction. INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE PROXY STATEMENT, THE SCHEDULE 13E-3 AND ANY OTHER RELEVANT DOCUMENTS THAT ARE FILED OR WILL BE FILED WITH THE SEC, AS WELL AS ANY AMENDMENTS OR SUPPLEMENTS TO THESE DOCUMENTS AND DOCUMENTS INCORPORATED BY REFERENCE THEREIN, CAREFULLY AND IN THEIR ENTIRETY BECAUSE THEY CONTAIN OR WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION AND RELATED MATTERS. Investors and security holders may obtain free copies of the proxy statement (when it is available), the Schedule 13E-3 (when it is available) and other documents that are filed or will be filed with the SEC by the Company through the website maintained by the SEC at www.sec.gov and the Company’s investor relations website at ir.comeralifesciences.com.

Participants in the Solicitation

The Company and certain of its directors and executive officers, as well as the Purchasers and their affiliates, may be deemed to be participants in the solicitation of proxies from the Company’s stockholders in respect of the proposed transaction and any other matters to be voted on at a special meeting to be held in connection with the proposed transaction. Information regarding the Company’s directors and executive officers, including a description of their direct interests, by security holdings or otherwise, is contained in the Company’s Annual Report on Form 10-K, which was filed with the SEC on March 17, 2023, and will be included in the proxy statement (when available). The Company’s stockholders may obtain additional information regarding the direct and indirect interests of the participants in the solicitation of proxies in connection with the proposed transaction, including the interests of the Company’s directors and executive officers in the transaction, which may be different than those of the Company’s stockholders generally, by reading the proxy statement and any other relevant

documents that are filed or will be filed with the SEC relating to the transaction. You may obtain free copies of these documents using the sources indicated above.

Forward-Looking Statements

This Report includes “forward-looking statements” within the meaning of the federal securities laws. These forward-looking statements generally are identified by the words “believe,” “project,” “expect,” “anticipate,” “estimate,” “intend,” “strategy,” “future,” “opportunity,” “plan,” “may,” “should,” “will,” “would,” “will be,” “will continue,” “will likely result,” and similar expressions. Forward-looking statements are predictions, projections and other statements about future events including statements related to the Purchasers’ exercise of the Share Purchase Option to take the Company private and the terms, timing, structure, benefits and costs of any such transaction and whether such transaction will be consummated. These forward-looking statements are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this Report, including, but not limited to: the results of our strategic review process; our ability to raise capital; cash flow, cash burn, expenses, obligations and liabilities; the interest of third parties in entering into a merger, reverse merger, or other strategic transaction with the Company; the outcomes of any litigation, regulatory proceedings, inquiries or investigations that we may become subject to; and other important factors discussed in the Company’s filings with the SEC. If we do not obtain additional equity or debt funding, our cash resources will be depleted and we could be required to materially reduce or suspend operations, which would likely have a material adverse effect on our business, stock price and our business relationships with third parties. If we do not have sufficient funds to continue operations or satisfy our liabilities, we could be required to seek a reorganization, liquidation or other restructuring that could result in our stockholders losing some or all of their investment in us. The foregoing list of factors is not exhaustive. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and the Company assumes no obligation and does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise. The Company can give no assurance that it will achieve its expectations.
